Annual Report 2019 - 2020

Alumni Relations, IIT Gandhinagar

» TABLE OF CONTENTS

Dear Alumni,

It has been a very enriching experience to be engaged with you and work towards the advancement of IIT Gandhinagar. The Alumni Relations team and I have been excited to receive your support and encouragement over the years.

This first-ever annual report offers the details of events, activities, and initiatives of the alumni relations office during the financial year 2019-2020. It gives me immense pleasure to share that your participation and commitment have been absolutely phenomenal. During the financial year 2019-20, we received donations from more than 50% of the alumni, making IITGN probably the first-ever Indian institution to reach this milestone.

The total alumni base till March 2020 is 1762, out of which 883 contributed in this financial year. Our alumni have established nine endowed scholarships this year. Further, out of the 394 students who graduated in 2019, 80% of them pledged their batch gifts to the institute.

The Alumni Relations office has been very proactive on social media, celebrating IITGN Alumni and inspiring the IITGN community with their stories. We are committed to engage with you more and keep you connected with IITGN. I look forward to your continued engagement and support.

I wish you all the best.

Jaison A Manjaly
Professor In-Charge, Alumni Relations

» MESSAGES TO ALUMNI

PROF BHASKAR DATTA
Associate Professor
Biological Engineering

To Alumni, with Love

You think you needed us?
You could not have been more wrong.

You arrived in a campus in flux,
uncertain spaces and new additions both helping you thrive.
You made it your home, just like those before you;
created memories that forever remain alive.

You faced new policies,
and tried to cope with the existing ones;
You gossiped on anonymous platforms,
ultimately realizing that real friends were the best fun.

You tried out Explorers, or maybe you did not.
None of that mattered for enjoying PC and the riverfront.
Amidst the tragedy of canteen closures, Blithchron cancellations and mess partitions,
You emerged, confident of your aspirations.

Visat se right,
became Raksha Shakti se right.
But the courses with supposedly easy grades,
You never seemed to guess right.

Moving around on campus remains easy,
sneaking in (or out) has no thrill.
"Secret" locations are almost non-existent;
and yet…you occupied a space
that will remain unique to you forever.

You may not still know where you are going,
but your destiny is not in doubt;
We look to you for inspiration,
for fulfilling dreams we had never before sought.

You think you needed us?
Think again. You could not have been more wrong.

PROF SHARMITA LAHIRI
Assistant Professor
Humanities and Social Sciences

Dear All,
Hope you remember me as a part of your IITGN journey. I do follow with immense happiness your professional and personal success stories on the Alumni Page/Facebook/occasional personal communication. I often recall and share with students anecdotes of our alumni, spanning across batches, from our first BTechs to the ones that graduated this year. I assure current students that our alumni are there for them.

Do continue to be connected with your alma mater - be the guiding light for your juniors and let your teachers like me bask in your reflected glory. Wish you the very best in life.

PROF N RAMAKRISHNAN
Visiting Professor
Mechanical Engineering

When the topic of ALUMNI is to be discussed, I am glad that I have Alumni in three IITs. My career started at IIT BHU (Varanasi) about 10 years, then at IIT Bombay (of which I am an alumnus) - nearly 30 years, and now IIT Gandhinagar -around 10 years. It has been a remarkable journey of 50 years, teaching IIT students, for the last 5 decades.

Coming to IIT Gandhinagar, initially I was on deputation from IIT Bombay, which seems to have been interesting to the 1st Batch - they did not have seniors. However, here was a man who was a faculty member of IIT Bombay for 30 years. They often used to come to my room and have long discussions.

We were in Chandkheda - even the location of the new IIT was not known. During those initial years, I had developed a strong bond with the students- which seems to continue till now. To develop an Individual Brand (IITGN), rather than one more IIT, they worked hard and took a lot of initiatives.

Their hard work and the leadership of our Director, Prof Jain has created a remarkable, impressive IITGN BRAND. I wish all the alumni of IITGN glorious years ahead . You, being relatively very young alumni, are the ambassadors of the IITGN brand. You will be observed very keenly.

To the current students, it is a great responsibility to add further value to the IITGN brand.

WISH THE CURRENT and FUTURE ALUMNI ALL THE BEST.

1.1 HOMECOMING 2019

The annual alumni reunion "Homecoming" is hosted by the Alumni Relations Office every year at IITGN campus. Homecoming 2019 was held on December 21 - 22, 2019. Nearly 70 alumni attended this third edition of Homecoming. On the first day, the event highlighted multiple activities including interaction with the Institute Leadership Team and discussions on alumni engagement in special initiatives of the institute. Prof Jaison A Manjaly briefed the alumni about the various initiatives planned for the alumni including the Alumni Residency Program. The alumni also had a discussion with Prof Sudhir K Jain, Prof Pratik Mutha and Prof Madhu Vadali about the possibilities to engage themselves with various activities and initiatives of the institute to create a vibrant and enriching ecosystem at IITGN. They also discussed the activities at IITGN business incubator – Innovation and Entrepreneurship Center (IIEC), Peer Assisted Learning (PAL), Finding the Leader in You (FLY) and how they can contribute to the Leadership Development Initiative. The alumni actively took part in different games (Poker, Snooker, Foosball, Carrom, Monopoly) and shared their life stories. The first day concluded with a campfire dinner. The second day was followed by interactions of the alumni with the faculty members. Overall, the event witnessed an active engagement of alumni with their friends and faculty, spending quality time on the campus with them.

1.2 HOMECOMING EXPERIENCE BY ALUMNI

"I feel connected with the institute. I have stayed on both the campuses, Palaj as well as Chandkheda campus. I always feel like coming back to the campus for homecoming. It feels great to see the kind of development going on in the campus. Wherever I am, I always miss the campus, campus life and my friends."

-Sumit Kumar (BTech/ME/2017)
Business Analyst, Polyplex Corporations Ltd, India

"Homecoming 2019 has been a great experience. It's been two years since I graduated and the level of construction that's going on at the campus is enormous. The campus has become so beautiful that we regret we couldn't stay for longer. It was great interacting with the peers, faculty, and friends. I would really recommend everyone to visit the campus at least once a year."

- Mayank Khewaria (BTech/CE/2017)
Zonal Head, Udaan, India

"It feels really good to be back on campus after almost a year and a half. It's good to see so much that has changed on the campus. I highly recommend all my friends, juniors and seniors to come back, it feels like reliving the BTech days. I will definitely be coming back next year."

- Zainab Patel (BTech/MSE/2018)
Research Scholar, University of Washington, USA

"The great thing to see is how the campus landscape has totally changed. The new hostels are way better than any hostel of other IITs and institutes. It's a really good environment to study. I am very happy to see the interaction of faculty and alumni. It's commendable that the institute is taking feedback from alumni and implementing it in the course structure."

- Aatman Vora (BTech/EE/2017)
Product and Strategy Analyst, Egen Solutions, USA

1.3 PREVIOUS HOMECOMINGS

HOMECOMING 2017

The first Homecoming was hosted on December 23-24, 2017. The program started with a welcome note by Prof Amit Arora, followed by address from Prof Sudhir K Jain. Prof Jain emphasized on the importance of alumni to any institution and his vision on the growth of the institute. Mr Sunil Parekh (Founder, PanIIT Gujarat alumni), the invited speaker, also shared his thoughts on the activities and initiatives undertaken by PanIIT alumni across Gujarat.

HOMECOMING 2018

The second edition of Homecoming was organized on December 22 – 23, 2018. Over 100 alumni participated in this edition. The main events during the homecoming were campus tour, informal sports, faculty and student interactions, Open House, cultural events by students, ending with a Campfire Dinner.

1.4 ALUMNI CHAPTER MEETS

ALUMNI MEET-UP IN SEATTLE, USA
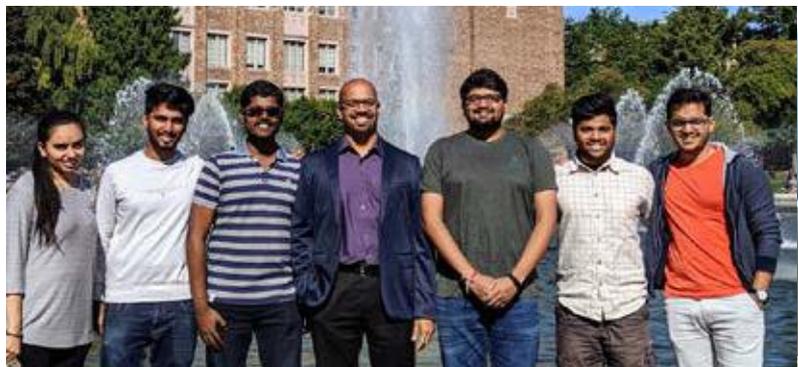

Prof Harish P M visited the University of Washington on September 29-30, 2019 and met some of our alumni in Seattle. They had a wonderful time over lunch. He also visited the University of Texas in Austin, USA to carry out collaborative research at the Walker Department of Mechanical Engineering.

ALUMNI MEET-UP IN BANGALORE, INDIA

Prof Jaison Manjaly hosted an Alumni Meetup in Bangalore on October 20, 2019, at Biergarten Brewery and Kitchen, Koramangala. It was a beautiful day with alumni meeting each other and sharing their stories along with ideas and discussions about the future trajectory of IITGN.

ALUMNI MEET-UP IN GEORGIA, USA
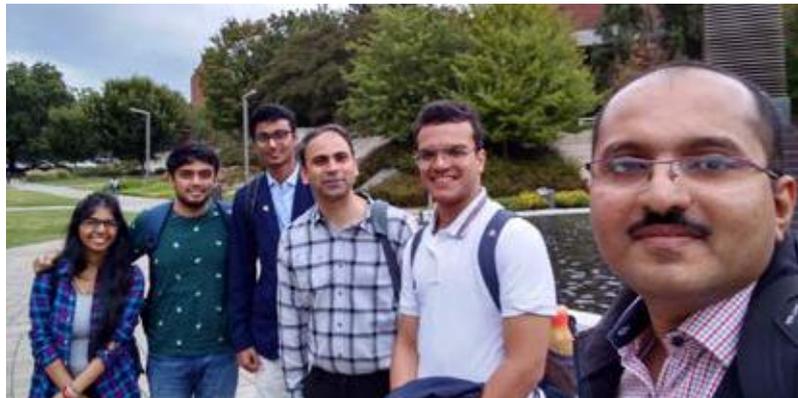

Prof Pratyush Dayal, Prof Nithin V George and Prof Kabeer Jasuja met some of our alumni during their visit to Georgia Tech in October 2019.

1.5 OPEN HOUSE WITH JEE ASPIRANTS

Open House at Delhi

Open House at Mumbai

Open House at IIT Gandhinagar

IITGN invited all JEE Advanced qualified students and their parents to Open House sessions organized in New Delhi on June 22, 2019, Mumbai on June 23, 2019 and at IIT Gandhinagar on June 23, 2019. The event acted as an opportunity for prospective students and parents to interact with IITGN faculty, students and alumni, and understand the innovative practices at IITGN.

The Open House sessions at Delhi and Mumbai were conducted by Prof Jaison A Manjaly (Professor-in-Charge, Alumni Relations) and Prof Harish PM (Dean, Student Affairs), wherein participants were given a glimpse of IITGN's vision, mission and efforts towards academic excellence.

At IIT Gandhinagar, the event included interactive sessions with Prof Sudhir K Jain, Director, IIT Gandhinagar, Dean of Academic Affairs, Associate Dean of Student Welfare and a panel of faculty members, who guided participants about the IIT system. The Institute also organized a campus tour for parents and students to provide them a peek into the world-class infrastructure of the campus.

2 » ALUMNI INITIATIVES

2.1 ALUMNI RESIDENCY PROGRAM

The Alumni Relations office launched the "Alumni Residency Program" at IIT Gandhinagar. Alumni are encouraged to involve with various activities and initiatives of the Institute such as teach courses, mentor student-driven projects and entrepreneurial initiatives, work on research projects, engage with the students on extra-curricular initiatives as well as help students enhance their soft skills. The primary motivation for this program is to engage alumni to create a vibrant and enriching ecosystem at the Institute. This program would add substantial value to several initiatives of the Institute and would be extremely beneficial to the alumni to enhance their leadership skills by leading a project, working with students and helping them with different ventures at the institute. The alumni would also get an opportunity to work on the domain of their interest and create a legacy at the Institute.

Alumni with at least three years of experience after graduation are eligible to apply for the Alumni Residency Program. An application along with a statement of purpose can be sent to the Alumni Relations Office (alumnirelations@iitgn.ac.in) and will be reviewed by a committee which then makes recommendations to the Director. On-campus housing and access to Institute facilities, including OPD facility at Institute dispensary, library facility, and a suitable remuneration will be provided to the alumni of this program.

ALUMNI-IN-RESIDENCE
Abhishek Kandoi (BTech/ME/2012) joined IIT Gandhinagar as the first Alumni-in-Residence from Oct 10, 2019 to Nov 15, 2019. Abhishek is a pioneer batch BTech alumnus. He started his career with Underwriters Laboratory (UL), USA, and is currently working with Applus Laboratories UAE as Business Head.

"Alumni Residency Program is a great platform to come back to the institute and be a part of the initiatives and activities of the institute. My expectations from this program are to improve Alumni-Student engagements and to make the students familiarize with life outside the institute."

-Abhishek Kandoi, Business Head- India and Middle East
Applus+ Laboratories, UAE

2.2 ALUMNI IN THE CLASS

'Alumni in the Class' is an initiative where IITGN alumni actively connect with the current students. They share their experiences in their area of expertise, either by directly interacting with the students on campus or through a virtual call. The first 'Alumni in the Class' session was organized by Prof Nithin V George, where alumni of Electrical Engineering discipline gave a session on Digital Signal Processing through a video call. So far, 12 alumni have participated in these sessions.

2.3 ALUMNI ON SOCIAL MEDIA

The Alumni Relations office has been featuring alumni on social media platforms, Facebook and Alumni Portal. Alumni are featured under the 'Alumni Series', which cover various stories of the alumni on where they are now, on their achievements and other life experiences. The idea is to increase alumni engagement and let the current students know about their alumni and their career trajectories.

OFFICIAL ONLINE PLATFORM OF ALUMNI RELATIONS

The alumni relations website (alumni.iitgn.ac.in) is a centralized online platform for all the alumni needs and alumni engagement. The platform incorporates exciting features to keep the alumni community well connected and engaged with their fellow alumni, current students, staff and faculty.

The IITGN alumni website serves as one of the easiest ways to reconnect, give back to the Institute, and serve as a springboard for alumni engagement.

The website enables the alumni to sign up easily using their existing Facebook, LinkedIn or Google accounts, update their information in the directory, search the alumni directory, contact fellow alumni, browse alumni events, view alumni news and photos, and give insightful statistics about the alumni engagement. The website also gives special emphasis on job opportunities among the alumni and student circle. The alumni can post job vacancies, internship opportunities, and any other alumni or a student can apply for the posted jobs and internships. The online alumni platform incorporates exciting features to keep the alumni community well connected and engaged with their fellow alumni, current students, staff and faculty.

FACILITIES TO ALUMNI

Other alumni facilities include issuing Alumni cards, providing two days complimentary campus accommodation in a year when alumni visit the campus, providing alumni documents (grade sheets, POR certificate etc.) as per their requests, invitation to major IITGN events and functions and chapter meets.

LIBRARY SERVICES FOR ALUMNI

Library at IIT Gandhinagar is your window to the world of the latest information in science, engineering, technology, humanities and social sciences. Being an integral part of academic and research work on the campus, the library provides information services to support teaching, learning and research activities of the Institute by creating advanced facilities and offering innovative services. The IITGN Library has a fast-growing collection of books, journals, magazines, CDs, DVDs and digital resources. Most of the services of the library are fully computerized and provide access to a large collection of subscribed online resources and open access resources.

Collection
Library book collection consists of research monographs, text books, conference proceedings, reference books, edited volumes, encompassing all disciplines taught and researched at the Institute.

Electronic Resources
Library has licensed nearly 70 core electronic full text resources and 10 bibliographic databases. This collection is growing every year and accessible to the IITGN community on the campus network.

Alumni may enroll as members of the library and start making use of the services offered by subscribing to library membership.

Services for alumni
- Searching the library holding through online catalogue
- Borrowing of reading materials
- Reference and Information Services
- Inter Library Loan
- Document Delivery Service

The two days witnessed a multitude of events, like, Panache: The Fashion Contest, Synchronize, String Theory, Blith Model United Nations, Antaragnee: The Street Play, Euphony; Singing contest, Solo Impromptu, Skirmish, Lenz Law, Quizzithc, Footpool and others. There was DJ EDM on both evenings of the event, followed by a musical gig by the The Yellow Diary band.

'Blithchron', the two-day cultural festival of IITGN is an event that acts as a catalyst for budding talents from various universities, colleges and institutes across the country.

6.6 REPUBLIC DAY CELEBRATION: BADA KHANA

On the occasion of Republic Day, IIT Gandhinagar organized a Bada Khana. The event is inspired by the tradition of the Indian Army wherein everyone, ranging from *jawan* to a General, share a meal together. All IIT Gandhinagar members including faculty, staff, their family members, students, construction workers, security personnel, engineers, architects, consultants, and well-wishers, mustered and enjoyed eating together.

6.7 EAT RIGHT CAMPUS AWARD 2019

IIT Gandhinagar became India's first educational Institute to receive the 'Eat Right Campus Award' with a five star rating from the Food Safety and Standards Authority of India (FSSAI). Prof Sudhir K Jain received the award for the Institute at a function hosted by FSSAI in FDA Bhawan, New Delhi.

IIT Gandhinagar has taken numerous steps to ensure food safety and standards at all the food outlets of the campus, which has resulted in winning this award by the Institute.

7 » IITGN DEVELOPMENTS

7.1 CLAY STUDIO

Clay Studio is a joint initiative of the Campus Experience Committee and the Student Affairs. The Clay Studio is equipped with potter wheels, kiln, glazing materials, and clay carving tools. Regular training sessions and workshops will be conducted at the studio for the IITGN community. It will be open for all students and community members to try their hands on clay modeling. Along with serving an opportunity for art and aesthetics, it will also provide hands on training and experience to the IITGN community.

7.2 CONSTRUCTION OF NEW HOSTELS - IJOKHA AND JURQIA

Two new centrally air-conditioned student hostel blocks, Ijokha and Jurqia have been commissioned. The new hostels feature living areas facilitated by various amenities such as a large central open area, several shops and student activity spaces with a good seating capacity and many more.

7.3 OPEN AIR THEATER - "RANGMANCH"

The new state-of-the art Open Air Theater - "Rangmanch" at IITGN features a mega amphitheater and boasts a seating capacity for nearly 2000 people. It is integrated with a garden and designed to facilitate large-scale events. It will also provide an enabling space for leisurely evening walks.

7.4 CONSTRUCTION OF BOUNDARY WALL

The boundary wall is designed with a significant amount of transparency and periodic patterns instead of a long monotonous wall, to allow outsiders to get a look of the campus from the outside.

7.5 STUDENT LOUNGE

A dedicated, fully equipped student lounge is set up in the hostel premises. The student lounge houses a snooker table, air hockey table, foosball table, carrom boards, chess, and many more games and activities.

7.6 ONGOING DEVELOPMENTS

SPORTS COMPLEX, SPORTS GROUND AND CENTRAL ARCADE

The construction of the sports complex, sports ground, and central arcade is expected to be completed soon. The sports complex will include an indoor gym, squash court, badminton court, table tennis court, indoor basketball and volleyball court, a climbing wall, and outdoor football and cricket grounds along with synthetic athletics track and a jogging track. It is also worth noting that almost all the full-grown trees on this site are untouched and some of them project from within the buildings and within fields, creating a unique look.

GUEST HOUSE

The construction of a new guest house is in progress. The guest house will have 70 rooms, 12 long-stay suites and several additional facilities like a 100-person capacity conference hall, multiple meeting rooms, and dining facilities.

Central Arcade

NEXT PHASE OF ACADEMIC BLOCKS

The planning and architectural work for the next phase of academic blocks has been completed and includes a Maker's Bhavan, Tinkerers' space and a Library.

RESEARCH PARK AND INCUBATION CENTRE

The Research Park and Incubation Centre have been operating from Academic Building 9, where it is expected to be housed until the construction of the permanent Research Park is completed. The permanent Research Park facility, which will be approximately 2,00,000 sqft, is being developed at a unique location, just north of the scenic drive in the ravine area. The architectural design activities have concluded and the construction activities are underway. The Research Park on campus is expected to attract industry partners and will promote research with a societal connect on campus.

INTERNSHIP – ACADEMIC PARTNERS

9 » OUTREACH ACTIVITIES

9.1 NEEV

'NEEV' aims to empower grassroot communities through workforce development, with a focus on entrepreneurship and skills training. It conducts workshops and offers comprehensive training and mentoring, and growing the employability and entrepreneurship mindset of the surrounding communities. More than 50 projects and activities have been conducted so far. Entrepreneurship Development Workshop, Vocational Skills Training Course, Stitching, Computer Skills and Spoken English Training Course are some of them. During the pandemic, village women trained by NEEV also made cloth masks for the entire IITGN community.

9.2 NYASA

'NYASA', started in 2011, primarily aims to support and educate the children of migrant construction workers in and around the campus. Through constant efforts from the volunteers, NYASA provides these children with mid-day meals, and basic education on campus. A number of activities and events are organized from time to time. Some of the activities include "Introduction to the world of Computers", Origami sessions, regular sports sessions, cultural events and festival celebration, birthday celebrations, Sanjeevani: The Annual medical camp, cloth distribution drives, summer camps and many more.

9.3 DAYCARE LEARNING CENTRE

The Daycare Centre aims to provide a safe, secure and nurturing environment to the children from IITGN families. The everyday routine incorporates music, art and craft sessions, basics of yoga and gymnastics, storytelling, classroom teaching through play and exploration sessions. Together these activities hone children's concentration, imagination, problem solving and motor skills. This unique curriculum focuses on holistic development to bring out the best in the children. Some of the flagship programs of the centre are Kids Supported Agriculture (KSA), Cooking sessions, Pajama parties, Sports day events etc. The centre caters to children between the ages of 6 months to 10 years and operates from Monday to Friday, 9 am to 6 pm.

9.4 FINDING THE LEADER IN YOU

Finding the Leader in You (FLY), an innovative program organized by IIT Gandhinagar together with Competitiveness Mindset Institute (CMI), aims to internalize, practice and inculcate the big five non-cognitive (soft) skills, namely, Conscientiousness, Perseverance, Innovativeness, Taking initiative, and Problem-solving. The program was organized on September 14-15, 2019 and was attended by 52 students.

9.5 TECHNICAL EDUCATION QUALITY IMPROVEMENT PROGRAMME (TEQIP)

Technical Education Quality Improvement Programme (TEQIP) is a summer training program for faculty of engineering colleges that helps improve the quality of technical education in the country. A number of training programs have been conducted on diverse topics, for instance, Advanced Pedagogy, Special Electrical Machines and Drives, Leadership and RTI, Applied Digital Signal Processing, Data Science and Analytics etc.

9.6 SPECIAL VOLUNTEER FORCE

A Special Volunteer Force was formed during the first phase of lockdown to support the entire IITGN community with daily essentials; medicines, groceries, fruits and vegetables. The team also arranged door-step delivery to the senior and other community members.

10 » ALUMNI GIVING

IITGN joins the league of world's top universities/ colleges receiving the highest percentage of alumni donations

IITGN received donations from more than 50% of alumni in the financial year 2019-20. This is a historic milestone for IITGN and its alumni. We are probably the first ever educational institution in India to achieve this milestone. With this achievement, IITGN is now in the league of world's top universities/colleges which receive the highest percentage of alumni donations. Also, within just a decade of existence, IITGN alumni have established nine endowed scholarships (till March 2020). All this testifies a firm commitment of our alumni towards the growth and advancement of IIT Gandhinagar. The alumni contributions are being utilized to provide scholarships to students and support their initiatives.

Power of
Campaign

5
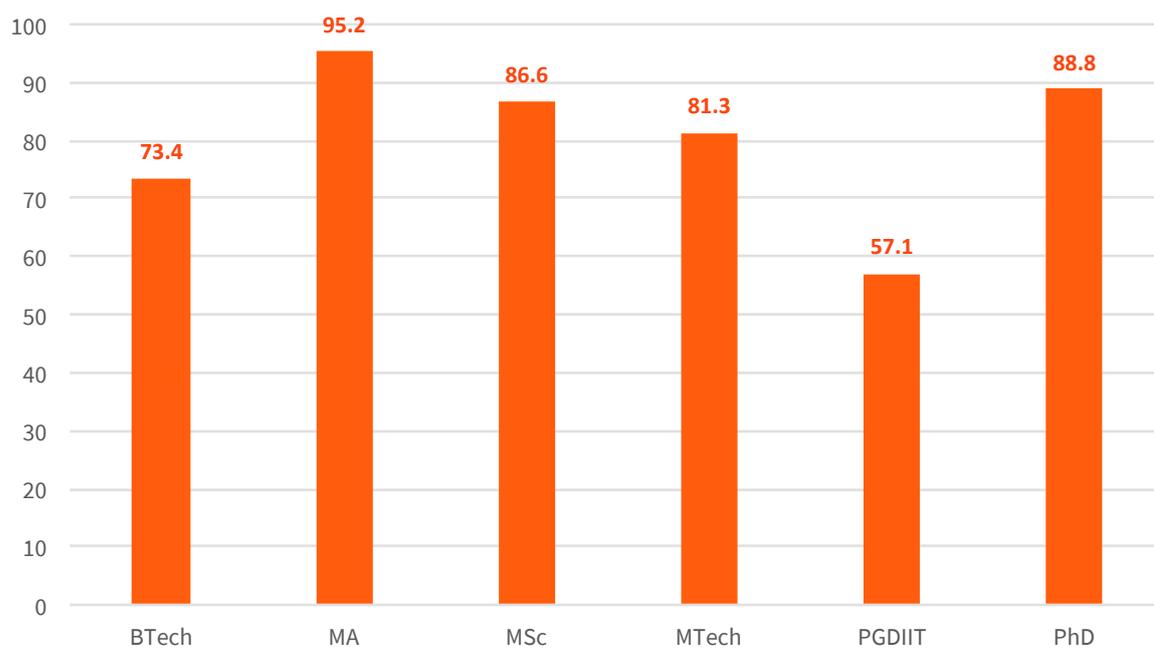

Power of 5 campaign aims to endow 50 student scholarships by 2022 with individual donations of Rs 5 lakhs by IITGN alumni. Each alumni donation of Rs 5 lakhs will be matched with Rs 5 lakhs from private donor contributions and the Institute, in turn, will match their combined contribution with Rs 10 lakhs. Rs 20 lakhs endowment will create a perpetual Rs 1 lakh named-scholarship at IITGN.

IITGN alumni can endow a perpetual Rs 1 lakh named scholarship in the name of their parents or admired individuals with a one-time contribution of Rs 5 lakhs or spread the contribution over two years through equated installments.

1 Alumni Donation Rs 5 lakhs

2 Private Donor Match Rs 5 lakhs

3 Institute Combined Match Rs 10 lakhs

4 Total Endowment Rs 20 lakhs

5 Perpetual Scholarship Rs 1 lakh annually
